#### Explanatory Note for Concession Fees:

- Patients holding a current Concession card will only be charged the Standard Concession Fee of \$65 once a month. In an attempt to keep the out-of-pocket costs to a minimum, all subsequent visits for the rest of the month will incur the lower fee of \$45.

### Saturday Fees

| <u>Consultation Type</u>        | <u>Fee</u> | <u>M/care Rebate</u> | <u>Gap</u> |
|---------------------------------|------------|----------------------|------------|
| Standard [Private] (15 mins)    | \$90       | \$39.10              | \$50.90    |
| Standard [Concession] (15 mins) | \$70       | \$39.10              | \$30.90    |

#### Notes:

- Telehealth Consults attract the same fees as the corresponding 'face to face' consult, and where the patient is eligible for a Medicare rebate, the corresponding rebates apply.
- Fees are payable in full at time of consultation. Current Medicare Card holders are then able to receive the Medicare rebate instantly, via EFT.
- Procedures (stitches, dressings, etc) may incur an additional fee.
- Please ensure a separate Appointment is booked for each family member.
- If you have more than 1 issue to discuss with your Doctor, please book a longer consultation. This will assist our Doctors to run on time for your appointment.
- DVA Card holders: Gold Card and White Card (where the consultation is relevant to the condition) will continue to pay no out of pocket expenses.
